LB 157-25-1

Sir,

I have the honour to state that in order to commemorate the Imperial Coronation held at Delhi in December 1911, the construction of a building known as the "Coronation Building" at Seringapatam was undertaken at an estimated cost of Rs.8298 the cost being apportioned as follows:- (1) Rs.2000- from District Funds (2) Rs.2000 - from the funds of the Seringapatam Municipality (3) the balance from public subscriptions and the Agricultural Bank at Seringapatam.

The first two items of contributions were sanctioned in the marginally noted Government orders. A Committee was formed for managing the work. A total subscription of Rs.3396-8-0 was collected and this sum together with contributions from District and Municipal fund was deposited in the Government Savings Bank. There was no contribution from the Agricultural Bank. The total amount paid to the contractor till now appears from the records to amount to Rs.7018 and it is reported that a sum of about Rs.1000 is still due to him for the work done.

1. G.O.No.5605-7/L.B.157-12-2 dated 31-1-1913.
2. G.O.No.10094-5/Ml.255-12-3 dated 21-6-1913.

The above building has been left in an incomplete condition, and being situate on the high road from the Railway station its completion and proper upkeep is deemed absolutely necessary.

The Taluk Board of Seringapatam has at present no separate building for holding its office and a proposal to construct a new building at an estimated cost of Rs.3000 was not approved by the District Board. The Taluk Board having reconsidered that the above sum would not be sufficient for a suitable building resolved that the said sum of Rs.3000 might be

utilised for improving the Coronation building and that the Taluk Board Office held in it.

The matter was placed before the District Board at their meeting held on the 12th September 25 and "deferred until the Coronation Hall Committee of Seringapatam handed over the building to the District Board with a request for completion and maintenance".

The Coronation Hall Committee passed a resolution on 18th October 25 that (1)the Coronation building to be considered as having been handed over to the District Board ~~offic~~ on 18th October 25 (2)the Taluk Board office might be held in the building and (3)that it requests that the building might be completed from the fund of the District Board.

The matter was placed before the District Board at their ordinary meeting held on 12th December 25. The Board in accepting the transfer of the building to their charge approved of the Taluk Board proposal to complete the building at a cost not exceeding Rs.2000 from its fund and to locate the Taluk Board office in a portion of it.

The resolution of the Taluk Board to pay from its fund a furthe sum of Rs.1000 for payment of arrears to the contractor was approved by the District Board at their meeting held on the 24th April 26.

In submitting Herewith copies of resolutions passed by the District Board, I request that sanction of the Government may be kindly obtained for a contribution of a total sum of Rs.3000 from the closing balance of the Seringapatam Taluk Board for :-

(1)Improving and completing the Coronation Building Rs.2000.

(2)Payment of arrears to the contractor Rs.1000.

The closing balalce of the Taluk Board at the end of March 26 was Rs.22770-9-1 as per Treasury Pass Book.

I have the honour to be,
Sir,
Your most obedient servant,

President, District Board.
